

## PRODUCT DESCRIPTION

Tremco Ribbon Bead Nozzles are for use in conjunction with Tremco Sausage Guns and Tremco sealants that are packaged in sausages (SSG).

## USAGE/PURPOSE

- ❑ Tremco's Ribbon Bead Nozzles are ideal for liquid flashing around window/door perimeters and for board joints in air barrier systems. The Ribbon Bead Nozzle is perfect for applying 3 mm thick ribbons of Tremco sealants for these liquid flashing applications. These nozzles can be cut, to apply a spread of sealant from 50 mm wide to 100 mm wide in a single application.
- ❑ When used in conjunction with the Battery Sausage Gun, it provides a uniform and efficient installation of Tremco sealants as a liquid flashing membrane around window/door rough openings.

## SHELF LIFE

Unlimited.

## STORAGE

Store in a dry cool place in original packaging.

## TECHNICAL SERVICE

TREMCO has a team of Representatives who provide assistance in the selection and specification of products. For more detailed information or service and advice, call Customer Service on (02) 9638 2755 or fax (02) 9638 2955.

## GUARANTEE/WARRANTY

TREMCO products are manufactured to rigid standards of quality. Any product which has been applied (a) in accordance with TREMCO written instructions and (b) in any application recommended by TREMCO, but which is proved to be defective, will be replaced free of charge.

Any information provided by TREMCO in this document in relation to TREMCO's goods or their use is given in good faith and is believed by TREMCO to be appropriate and reliable. However, the information is provided as a guide only, as the actual use and application will vary with application conditions which are beyond our control. TREMCO makes no representation, guarantee or warranty relating to the accuracy or reliability of the information and assumes no obligation or liability in connection with the information. To the extent permitted by law, all warranties, expressed or implied are excluded.
